

Yuba Sutter Soccer League Field Use Policy

The Yuba Sutter Youth Soccer League allows for use of the soccer complex at Riverfront Park when it is not in use for YSYSL activities. YSYSL has both a recreational and a competitive branch that are of the same 501(c)3 and have first priority of fields. Recreational programs will have priority over the competitive programs during the months of August through December.

YSYSL recognizes the considerable benefits of providing a variety of quality recreational youth soccer programs, as they promote healthy childhood development and a heightened sense of community. To maximize these benefits, YSYSL invests in resources necessary to keep and maintain the soccer fields year-round for positive, physical, psychological and social development across a broad spectrum of soccer activities. The player and parking fees are a large part of the resources that invest in the fields. Additionally, other organizations that request to use the fields for organized activities will be charged a fee to appropriately share in the cost of maintaining and lining the fields.

Fees will be updated each year based on the cost of the previous year's normal field maintenance.

YSYSL does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations. The lack of English language skills shall not be a barrier to admission or participation in 'YSYSL's activities and programs.

Non-YSYSL activities require a Facility Use Permit including an insurance certificate for \$1,000,000 naming YSYSL and the City of Marysville as additionally insured. A cleaning deposit will be required prior to the event and will be returned upon completion.
