

Coach Coordinator Report – November 2023 (AGM)

This year, the YSYSL Recreational program fielded 216 teams, playing in U6 to U15 divisions. In addition, we placed one U14 Girls team in the River City YSL inter-league program. We registered 322 coaches, of which 260 completed the certification program (Live Scan, Background Check, Safe Sport and Intro to Safety).

One of our coaches completed the US Soccer Federation (USSF) C course, and several of our partner Elite FC completed the USSF D course. We do not have data on Azzurri FC. Reports are not available on however many coaches completed Grassroots 4v4, 7v7, 9v9, or 11v11 training,

We would like to offer more in-person training in 2024, and hope there will be interest from recreational coaches.
